On or before October 1st those expecting to start dogs must describe their entries on blanks furnished free of charge by the American Brittany Club and pay on each a forfeit of \$30.00 for each field event (All-Age and/or Gun Dog) and \$25.00 for each show in which it is planned to participate. PURSE

The litter forfeits, less all expenses incurred up to the closing of entries on October 1st, will be divided equally among the sections holding Futurities. This base purse will be divided in a ratio of 1/3 to each event - All-Age, Gun Dog Field and bench. The forfeits due on October 1st shall be allocated to the designated section and event for which paid and added to the base amount above. This, after the deduction of 10% for the American Brittany Club, will constitute the purse for that section; 2/3 of the purse will go to the owners of record of the winners at the time the event is held, 1/3 to the breeders of the winners, to be paid to the recipients by the National ABC Treasurer. All expenses for the preparation and running of the events will be covered by the starting fees.

In the field, the purse will be allocated to the All Age and Gun Dog based on entry. The division of the purse shall then be 40% for first, 25% for second, 20% for third and 15% for fourth. In the show the division of the purse shall be:

- Best In Futurity40%
- Best of Opposite Sex 30%
- 2nd place male (and female).10%
- 3rd place male (and female). 5%

Any designated winnings that are not awarded shall revert to the American Brittany Club.

DUAL FUTURITY

The Dual Futurity winner in each section will receive 5% of the gross purse for that section, divided 2/3 to the owner, 1/3 to the breeder. The owner's winnings are paid to the registered owner. If no Dual Futurity winner is named, the 5% will revert to the American Brittany Club. STANDARD OF PERFORMANCE ALL-AGE (Optional Horseback)

Futurity dogs shall be judged as to their potential for developing into championship All Age Brittanys. They shall hunt the forward limits of the course with intelligence, eagerness, and desire with the obvious intention of finding birds.

The dog must locate and point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence in finding and pointing birds in an unfinished All-Age manner.

The dog must respond to the handler but shall not be penalized for being more independent than an adult dog. A dog that handles at the extreme edges of the course shall be preferred over one that needs a scout to keep him on course, but both shall be preferred over a dog that does not have sufficient range for an All-Age dog.

STANDARD OF PERFORMANCE GUN DOG (Foot Handled ONLY)

“ Futurity dogs shall be judged as to their potential for developing into championship Gun Dog Brittanys. They shall exhibit a keen desire to hunt, a bold, attractive style, intelligence in quartering and seeking objectives, eagerness, and desire with the obvious intention of finding birds.

The dog must locate and point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence and consistency of application in finding and pointing birds in an unfinished manner, indicating their future potential as a high class Gun Dog.

The dog must hunt for its handler at all times at a range suitable for a handler on foot. It must cover adequate ground but not range out of sight for a length of time that would detract from its usefulness as a class hunting dog.”
