Dear Futurity Participant:

Enclosed please find the Eastern Section Entry Form(s) for your 2012 eligible futurity dog (s). This entry blank is being sent to you as a result of your 2010 breeder's nomination and your final forfeit payment made in 2011.

When completing the entry form, please print clearly. Send your entry form and check payable to the American Brittany Club directly to the Section Secretary,

DO NOT SEND IT TO ME as that will only slow the entry process.

For those dogs eligible for the field, you must now make the determination whether to enter the All Age or Gun Dog stakes. You may not enter both. Performance standards for the field are on the back side of this letter.

Prize money will be paid to both the breeder and owner of record as identified on this entry blank. If you have sold your futurity nominated dog since paying the final forfeit last year, please pass this form onto the new owner.

Information from the Maryland Brittany Club is also enclosed. Please note the show is at the Clear Spring Volunteer Fire Co. Activities Building and not the VFW. There is a buffet dinner Monday, March 19, 2012 at the show site. Ticket info is in the flyer – **NOTE:** A separate check for the dinners payable to the Maryland Brittany Club is required, as your entry fees are payable to ABC. You can also go to their web site: www.mdbritclub.org for directions, lodging, etc. Also, if you are interested in purchasing a personalized futurity cap, an order form is enclosed.

Send your entry, entry fees, diner ticket request form and separate payment for the dinner to Luann Fullwood, 24322 Sparks Rd., Ridgely, MD 21660..

Good luck in the upcoming competition.

Sincerely,

Judy Graves, ABC

STANDARD OF PERFORMANCE FOR BRITTANY FUTURITIES

There shall be four places awarded in each stake. Placements should be awarded to the “Best Dogs” in the stake. Finding birds on the course should be a primary concern, however as these field events are conducted under rules of the American Field and not AKC, a placement without bird work on the course is permissible. Also, as an American Field event, the five minute out of judgment rule does not have to be applied, and the judges so advised.

ALL-AGE (Optional Horseback)

Futurity dogs shall be judged as to their potential for developing into championship All Age Brittanys. They shall hunt the forward limits of the course with intelligence, eagerness, and desire with the obvious intention of finding birds.

When birds are located, the dog must point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence in finding and pointing birds in an unfinished All-Age manner.

The dog must respond to the handler but shall not be penalized for being more independent than an adult dog. A dog that handles at the extreme edges of the course shall be preferred over one that needs a scout to keep him on course, but both shall be preferred over a dog that does not have sufficient range for an All-Age dog.

GUN DOG (FOOT HANDLED ONLY)

Futurity dogs shall be judged as to their potential for developing into championship Gun Dog Brittanys. They shall exhibit a keen desire to hunt, a bold, attractive style, intelligence in seeking objectives, eagerness, and desire with the obvious intention of finding birds. When birds are located, the dog must point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence and consistency of application in finding and pointing birds in an unfinished manner, indicating their future potential as a high class Gun Dog. The dog must hunt for its handler at all times at a range suitable for a handler on foot. It must cover adequate ground but not range out of sight for a length of time that would detract from its usefulness as a class Gun dog.”
