## Hall of Fame Nomination Form

**Closing Date for Nominations: March 1st**

To be eligible, the dog must be dead. Date of death must be within the past 15 years. Nominees should be animals that knowledgeable breeders would look for in pedigrees when establishing or improving breeding programs. They should epitomize the dual ideal and during their lifetimes have achieved National recognition from Brittany fanciers for their show and trial (field and obedience) ability through successful competition on a multi-regional or National level, and/or that produced a high average of progeny from different dams or sires who were generally acknowledged as being of extra merit.
