

*Famous Folks &
Their Saint Bernards
Through the Ages*

This file contains a few famous folks of the past who had Saint Bernards as their companions in life. If you have photos of other famous folks with their Saint Bernard please send me a copy at saintbernardnationalarchives@comcast.net. Click through the pages and take a trip back into time.

*We start of with Orville Wright
and his Saint Bernard Scipio in 1917.*
