Want to post your event to this list?

Please notify the Saint Bernard National Archives, saintbernardnationalarchives@comcast.net, to post an upcoming Saint Performance event(s) to this list. We would like the name of the club, date, city, and judge for complete information. Preliminary information may be posted now and updated later. Listing a contact person for a Premium List would sure help the viewer and maybe your entries! It will be up to YOU to notify me of an event to get it posted!
