The Top Ten Obedience are ranked beginning each year on January 1<sup>st</sup> using average scores without regard to a minimum number of scores. When there are 6 dogs with 4 scores within a division (novice, open, utility), then a minimum of 4 scores will be required to average and rank. After a dog has accumulated 10 scores within a division, 80% of those scores will be used for averaging, using the highest scores. To be ranked in the Final Top Ten Obedience, a minimum of 4 scores within a division are required. Ranking system since 1/1/90, updated 1/1/05.
