There are three types of Membership in the VCA: Voting (V), Associate (A), and Junior (J). Incoming members MUST spend two years as Associate Member before they apply for Voting Membership. A members may also be members who have the years as members, but who do not wish to vote.

In applying for membership in the VCA, applicants agree to adhere to the Code of Ethics, which is a Guideline for responsible Vizsla ownership, sportsmanship and breeding practices. However, publication of VCA membership information does not constitute an endorsement of any individual whose information appears on this site.
