

VCA National Events Survey 2007

As a result of input of the VCA Membership, the VCA Officers and Board has begun discussions concerning National Events and what steps can be taken to offer each event the best venue and keep them as financially self-supporting as possible. To help us proceed, we would like you to take a few minutes and answer all of the questions. This will give us a better idea of today's needs, goals and objectives of our Nationals participants in field, show, obedience, rally and agility. **Please submit by 12/31/2007.**
